

Anita Miller

January 28, 2019

Anita Miller went to heaven on the evening of January 28, 2019, after a long battle with cancer which evolved into pre-leukemia. She went peacefully and without pain, and she looked forward to being with God in Heaven.

She told friends, family and strangers that she was 39 years old and holding. She and John were married in 1967, and they had two sweet daughters Julie Basham of Katy, and Michelle of Albuquerque NM.

She had many interests and she loved gardening. Even after their home was destroyed by Harvey, she wanted a new home where she could have a garden. She was a fine, talented artist, and loved to travel. Above all she was a devout Christian. She conducted two weekly Bible studies in her home, and she read the Bible every day and read it completely every year. She volunteered freely of her time with several local charities. She was a long-time member of Second Baptist Church of Houston.

Funeral services will be held at 1 pm on Friday February 1st at Hankamer Chapel at the main campus of Second Baptist Church on Voss Road at Woodway, Houston. A reception with the family will be held following the service.

For those wishing to send flowers, Anita asked to have yellow roses at her funeral. If you would prefer to make a donation, send it to the charity of your choice.

She was a sweet, beautiful person who was beloved by all, and had no enemies. She is terribly missed already by family and friends but we are comforted by knowing that she is in heaven.

Comments

“ I was in Anita's Bible study at her home and also in Christians Women's Club. She radiated Gods love and kindness to everyone she met. She will always be remembered as a servant to the Lord Jesus Christ. So glad she is now healed. Blessings to her family. Shanna Bourn Mckenney

“ Dear, John, Julie and Nicole, Anita and I were members of the Christian Women's Club of Houston. That is where we first met. I was always struck by her love for our Lord, leadership skills, gentleness, sweetness and soft voice. She loved to do crafts and she and I spent many happy hours working on craft projects together. I loved our friendship and I will continue to cherish it forever. Jymmye Tabor
