“ Art used to office down the hall from us for many years at 9039 Katy Freeway building 500. Following his routine afternoon nap he'd make his way down the hall to our offices to share a joke (what respectable insurance salesman does have loads of jokes), tell us about his latest square dancing event, and of course, explore all of the goodies on my desk. He couldn't help himself from opening boxes, examining a new gizmo, or asking me "what in the world is this?" It's been many years since I've seen Art, heard his friendly voice, and caught his contagious laugh. He will be missed. Sincere condolences to Joan, Melanie, and Stephanie and yhour families. You had a wonderful Pop.

Sincerely,

“ As a dad with three girls Arthur somehow always remained calm in the midst of a sea of teen angst. I respected and admired him and enjoyed the time spent in the Margulis' home when I was in high-school. Joan, Melanie and Stephanie, I am so sorry for your loss. May you all be blessed with peace and love.

“ Very well, thanks. Live in Dallas, married, two kids, a daughter at Clemson University and a son in high-school. I write computer programs for an international law firm and run a pro public education political action committee, [www.dfpe.org](http://www.dfpe.org). Hope you are doing well also. So sorry about your dad, I have very fond memories of him.
