

Dorothy Marie LeBlanc

January 1, 1933 - February 12, 2020

Dorothy Marie LeBlanc was Born on January 1, 1933 to Thomas Francis and Mary (Brown) Horrigan. She died on February 12, 2020 at 1:14am. She is preceded in death by her mother and father, her four older brothers and her grandson, Dylan Cruse. She is survived by her husband Raymond A. LeBlanc and her children, their spouses and children and 6 great grandchildren; Lisa LeBlanc; Patrice and Dennis Emrie and son Chad; Kathy Buckner and daughters Megan and Emily; Tom and Ana LeBlanc and sons Andrew, Thomas and Adam; Paul LeBlanc; Dan and Vicki LeBlanc and daughters Brooke and Autumn; Andrew and Alison's son Knox and daughter Elliot, Megan and Jason Lester's children, Jackson, Colton and Emery, and Emily and Ryan McKean's daughter Ava Jo.

Dorothy was a true gift from God, a blessed surprise to her Mother and Father, born a full ten years after her four older brothers who all served in World War II. As this happy, precious child grew into an elegant, graceful young woman, Doats created lifelong friendships, probably because she had an inherent grace and charm and was always considerate, concerned and helpful. She was spiritual, obedient and strong in her Catholic faith. She was always intelligent and curious and had a passion for knowledge through reading and poetry. She never stopped improving herself and growing. She received a Bachelor's in Education, became a teacher, and continued to educate herself through college courses at Rice University into her 60's.

While attending the University of Detroit Mercy, Ray fell into her life. They were in love, got married in 1955 and had six children in seven years. She became the dutiful mother and wife, devoted to her husband and family. Even though things were not easy with six babies and a successful international businessman as her husband, she always did the work and always did the right thing. Six babies became six teenagers in the 1970's. Still, she always handled things with a nurturing love and a gentle grace. Behind her sweet, gentle demeanor was a courageous and strong woman with an unconditional and fierce love for her family and friends. Her faith, love and dedication became the foundation for her children and grandchildren. She was blessed with 9 grandchildren and 6 great

grandchildren. She made sure to champion each one, look them in the eye and say she is proud of us, we are loved and that we can achieve great things. In the last few years of her life, when she slowly developed Alzheimer's, she remained dignified, gracious, loving and sweet. She loved the babies most of all. When she gazed upon her great grandchildren with her beautiful eyes, she would always smile big and say, "Hi baby, hi baby!" She was also very artistic, had an eye for color, and a natural ability to cultivate beauty all around her. She created a tasteful, beautiful, home and hosted many wonderful parties with open arms. She was a founding member of The National Museum of Women in the Arts in Washington, D.C. Everyone should go! In lieu of flowers you may donate to NMWA at nmwa.org/support/giving. Under donate, you may make a gift in memory of Dorothy if you wish.

Even though we miss her already, she wanted to go home to see her mother. When St. Peter greets her at the Pearly Gates and says, "Please join us in the Kingdom of Heaven" she will probably smile and humbly ask, "May I?" Dorothy is now somewhere over the rainbow. What a wonderful world, such a beautiful life. Long live the light and beauty that emanated from her soul and onto all of us. Be not afraid Dorothy. Rest in Peace.

The Funeral Mass will be celebrated Monday, February 24, 2020 at 10:30 AM at St. Cecilia Catholic Church, 11720 Joan of Arc Dr., Houston, TX 77024. A reception will follow Holy Mass in the Community Center on the church campus.

“ Molly and I spent many happy times with both Dorothy and Ray. In particular, Dorothy helped catalog all the artwork stored on campus, resulting in the establishment of the Little Art Gallery on the campus of the University of St. Thomas-HOUSTON. She was particular about selecting the large boulder as a pedestal for the large CHRIST statue on campus. What a marvelous lady!

“ Dorothy and Ray, I met you about 30 years ago in Rome, Italy. We visited sites, churches and Museums, but also nice cafes, restaurants and parks. I was immediately impressed by the harmony and joy emanating from you, and the light of the Holy Spirit guiding you. During the years I also got to meet your children, and some of your grandchildren. Every time you, Ray, would take care of the enjoyment of the party, and you, Dorothy, of the spiritual side of the trip. We had a lot of happy times and memories to share, and even if we did not meet recently we were always in contact, also through our love and spirit. Now Dorothy you are on the most important trip of all, of all life, the last one, the one going to the Lord. Have a good journey Dorothy, and thank you so much for having been the way you are!!! Thank you for continuing to inspire us, and for praying for us. I miss you already immensely, but I know you will be with all those who love you, in a more subtle way, as a bright guiding light. I am grateful to life for having met you, and all your family, and grateful for the beautiful friendship we shared, which transcends time, space, and will continue even now, as I keep you in my heart. I am praying for you Dorothy, and all the LeBlancs (and their in laws) here in Rome, in my heart, and I will continue doing it in all the Churches here that I remember you Dorothy enjoyed the most. Hugs, blessings and fortitude,

“ Bob and I are so sorry for your loss. What a loving spirit Dorothy had. She lived her life with such grace, and saw beauty in everything and everyone. It was easy to see the image of Christ in her. Now she sees Him face to face. Oh the joy! Dorothy, thank you for your warm hugs and easy smiles. You will be greatly missed by all who knew and loved you. Count me in that number.

“ Dorothy was one of my favorite aunts! Over the years she would send me large boxes of beautiful clothes she no longer needed. I kept one bathrobe for many years so I could wrap myself in her lovely style! We shared many conversations about my brother Tom and she shared my concern and affection for him. Even with all her children, grandchildren and great grandchildren both Ray & Dorothy took time to call and ask about my family wellbeing. I will miss her !

“ I was saddened to read of Dorothy's passing, but secure in knowing she is with God. My late husband, Allen F. Rhodes, served on the Board of Directors of her husband, Ray's, company for many years, and I recall the many happy times we spent at parties in their home or on trips outside the US. While I had not seen them in several years, I always considered them to be the best of friends. I pray you will cherish her memory, and pray you receive comfort in this time of sorrow. Please count me among the many who share your grief. Carol J. Rhodes

“ My dear friend of 47 years I miss you all ready, but I am consoled to know you were ready to go and are in complete peace with our Lord Jesus Christ.

I have a picture of you in the living room . Each time I look at it I think the camera caught your beauty inside and out.

You loved your husband, children, friends and Catholic Faith.

I recall all the wonderful times you shared with us. the Austrian Ball and so many lovely party's.

Then there were are problem solving issues. the time you called me and said come help me. I ran to the house to find instead of one pie you had three large bowls of grasshopper pie mixture. We laughed so hard.

Bob surprised me with a gallon of fresh oysters which I do not like. I called and said come help me. You made a beautiful stew and stayed for dinner. then I sent the half gallon left with you and Ray..

We shared joy , love and tears and both knew how very blessed we were.

“ My mom, the very first person who loved me as she carried me in her womb, and my life has been blessed beyond measure by her pure spirit of love and grace. She was the kindest person I have ever known. Generous with her love to family and friends, always having a listening ear to hear what you had been doing, interested and invested in your life and activities. Mom was elegant, full of grace, solid in her faith, a devoted and adoring wife. I can honestly say that my mother and I never had cross words with one another. She was gentle and kind and loving. She had a genuine warmth about her. She loved inviting all into her big, beautiful home, and welcomed all with a hug and embrace. Her husband, children, grandchildren and great grandchildren were her most prized possessions - and we all knew it and we felt it! Such a gift, my beautiful mother, how I miss her already, and I will try to embody all the wonderful attributes she blessed us with. A woman, full of grace.

“ I am Ana’s sister. When Dorothy went to the holy land she gave Ana a rosewood rosary she bought to give to me. I had only met Dorothy a few times so I thought it was so generous of her to bring me a rosary. It is the rosary I use every day to this day. And I think of her every time I pray with it.
