“ I remember Keith when the grandchildren got together on holidays and he was always so happy and kind and full of love. He was just a guy you wanted to be around.

“ I remember Susan's stories of Keith and Jeff being typical brothers and her picking up the pieces, literally, gluing the lamp back together so Mom and Dad wouldn't find out. I remember Keith following us, Susan, Jeff and I, to Texas Tech. Mom and Dad always going up to Tech for the games to see Keith and friends. I remember his big black (and red) pickup truck (and how much Mom loved to drive it). I remember Keith water skiing up at the lake with a cast covered broken thumb and returning without the cast. I remember baby Kaitlin and later baby Joey and Keith's adoring eyes. I remember Keith being a big softie with the family. In loving memory of James Keith Porter from your "adopted" big sis, Susan Heinz

“ I think of you everyday with love and I know that you are in Heaven now with Chay and God and you both have peace that passes all understanding.

“ Keith this is for you.

Chay loved to collect angel figurines. Her figurines are all displayed on her dresser and on the front row there is an angel sitting on a bench reading a scroll. On the scroll is written:

"Do you hold me close in memory

Althought we are apart,

my spirit will live on there within your heart

I am with you always...."

“ I had the pleasure of working with Keith out of the Prologis Houston office. Keith was always a barrel of laughs and very down-to-earth & loved all types of music! He was awesome at his job & just an all around great person. Keith will be greatly missed here on earth but he's an angel resting with God now. To the Porter family my prayers are with you. May God comfort you during this time. Love you all.
