

Dr. Joseph Aziz

November 14, 1929 - July 22, 2012

Dr. Youssef (Joseph) Aziz, 82, was finally reunited with his wife in Heaven on July 22, 2012. Joseph was born in Beni Suef, Egypt on Nov. 14, 1929 to Wahiba and Aziz. There he developed a remarkable sense of responsibility, family and devotion, which he demonstrated throughout his life. Joseph was a very talented surgeon, who was well known for his knowledge, skill and his genuine care and concern for every single patient. He met his wife, Judy, in an operating room at St. Joseph's Hospital in Toronto, Canada, the same hospital where their 1st daughter was born. A move to the beautiful town of Parry Sound, Canada, brought another beautiful daughter, many dear friends and gorgeous Georgian Bay. The family spent as many weekends as the weather would allow boating amid the rocky shores and the windswept trees. In '82, the family moved to The Woodlands, TX and Joseph began a 17 yr practice at Houston NW Med Ctr. After retirement, Joseph relished his role as "Papa" to his 2 grandchildren, loved gardening and going for long walks with anyone brave enough to keep up with him. Joseph will be deeply missed by his daughters Beth Rainey (Rick) & Susanne Paul (David), his pride and joy-grandchildren Lauren & Josh Rainey, brother Kamal, sister Mimi, many nieces & nephews, family in Egypt & Canada, dearest friends, the Fieldens & the Baxters, the excellent staff at The Forum, and many more. He was preceded in death by his beloved Judy, his parents, sister Samiha, cousin Raouf & nephew "Happy". A memorial service will be held on Saturday, July 28, 2012 at 11:00 am at Memorial Drive United Methodist Church, 12955 Memorial Drive in Houston. In lieu of flowers please consider a donation to Doctors Without Borders. Visit www.DettlingFuneral.com to leave online tributes.

“ I have thought about Dr. Aziz so many times over the years but did not know how to find him. Today (July 22, 2017) he was very strong on my mind. I came across his obituary just now. I was so sad to hear that he had died but rejoiced that he is with Judy. My whole family loved him so much. I have never known a doctor that genuinely cared so deeply for others. He saved my life and my mom's life too. I don't know if this will teach his family, but I hope that one day they know how much he was loved by us. Peace and love to the family.

“ Dr. Aziz gave me my start in Houston, I would not be where I am today without him. He and his wife Judy welcomed my family into his family, he made us feel welcomed in his home, and in his family - my girls grew up calling him Uncle Joe. He never turned anyone away, money was not the object - he helped everyone even to the point of finding other physicians to help when needed - he would even convince the hospitals to help patients out. He battled with insurance carriers on many occasions for the best treatment for his patients. I remember the genuine love he had for medicine and how he treated his patients - after he retired many would still stop by to see me just to ask about Dr. Aziz. On my last visit with him, he wanted to talk about all the doctors still in practice that he would know, as always he wanted to know how all my family was doing and remembered everything we had talked about at our last visit. I know he is dancing in heaven with his beloved Judith - celebrating life with his family that went before him. He was an amazing man and I am blessed to have known him, and thankful he shared his life with me. Pam Ramage

“ My family was one of the ones he fought for. He was a truly great man.
