“ My sister Marie was so creative. I will miss the resale and retail shopping, the dinners we shared, the games we played and just hanging out together. THANKS for all the beautiful paintings. Marie you will be missed. REST and PEACE!

“ Marie was more than my sister, she was one of my very best friends. We had so much fun decorating and furnishing her house in Houston and then a whole lot of fun doing our lakehouse. She gifted me with so many gorgeous pictures she had painted. They line the walls of my house and the lakehouse and fit in so well even though some are Minnesota and California scenes. I just love her. I will miss her so much and I'm thankful she left us with her loving and caring family. Goodbye "Miss Ma'rie". Love you, Bobbie

“ My mom was an amazing, caring, talented and devoted woman. She was loved by many and will be missed by all that knew her. Her work on earth is done but her light will shine forever in our hearts.

I am honored to have called her “Mom” for the past 46 years and I look forward to the day I am able to see her again. I love you mom. -Michael
