

Thomas Lee Young

August 12, 1946 - July 25, 2021

Thomas Lee Young, 74, of Houston, passed away on July 25th, 2021. Tom was born on August 12th, 1946, in Houston, Texas, to Melvin and Violet Young. He was a devoted partner, loving father, grandfather, brother, mentor, and friend. He is survived by Rose Diers, his soulmate of 13 years; children, Scott Young and wife Ruth, Michael Young and wife Kari; grandchildren Ashton Young, Jasmine Young, Jacob Young, and Julia Young; brother Bill and wife Juanita, and brother Melvin and wife Margaret Young.

Tom grew up in Houston, where he lived until enlisting in the US Air Force in 1965. Tom served in the Air Force in Montana as a mechanic until returning to his native Houston. Tom's interest in machinery and logistics led him to careers at Brown & Root, Powell Electric Company, and eventually to UTC Overseas, Inc. Tom enjoyed his work life and loved his work family, as his excitement for working on large projects was not only what he did but also part of who he was. He embodied an admirable work ethic and commitment to vocation that he truly enjoyed.

Tom loved agricultural pursuits and spent many years raising cattle and horses. He enjoyed the quiet, early mornings outside at his ranch home in Alvin, Texas, and he became a loyal member of a regular weekend breakfast club at a local diner. His love of custom race cars kept his garage and social life full, where he proudly displayed his projects and gathered with close friends who shared his passion for cars.

Tom was a devoted father and loving grandfather, and he enjoyed hearing stories of the children's recent adventures. His love for his soulmate, Rose Diers, further expanded his family to include her's. Tom was made complete in his love for Rose. They travelled together, spent time with animal family members, Cowboy, Petey, and Franklin, laughed, loved, and created happy memories together that are the fruit of life.

“ When we moved in to the home across from his cattle land, he took the time to walk down and introduce himself. My husband liked to talk cars with Mr. Tom. He will be missed. Our heartfelt condolences go out to his partner, family and friends.

“ Tom was one of the first people to reach out to me when I arrived in Houston. Since then I have been lucky enough to be a client and more recently a co-worker of Tom's at UTC. I'll always remember his smile, calm demener and his willingness to always offer help. He was a professional and will be sadly missed and my condolences go out to his family

“ Sending heartfelt condolences to all the Young family. Tom was warm and welcomed us when Brian and I first moved to Texas. His warmth made Texas feel like a smaller place. We'll remember him often. Marie Posthumus

“ During the 16 years Tom and I spent together, we took some amazing trips: snorkeling in Cozumel where I had my first and last encounter with a barracuda; riding in the Tetons among the moose, the eagles and an occasional mountain lion; several years riding with wagon #1 on the Salt Grass Trail from Giddings into Houston; and trail riding in the Hill Country. We were both passionate about horses and enjoyed many aspects of equestrian sports: Team Penning, Cutting, and Reining. Tom enjoyed doing it all. I came from the English school of riding. It was Tom who introduced me to the Western style. He was always happy when in the saddle, a horse between his long legs. He was a natural horseman. Miss you, partner

“ Tom was not only a colleague but a dear friend and mentor. He had an incredible work ethic, an unrelenting commitment to everyone he worked with, and a can do attitude no matter what challenges he faced. I will always remember fondly our time in the trenches, meeting up for coffee, checking in on the phone, or all the times we spent together on the road. You will be sorely missed, Tom. Until we see each other again, may the Lord keep you.

“ I have known Tom for over 30 years. Me and Tom worked together and had the same interest with the cattle and then the Racecars he loved to call and tell his next project. Tom was always checking on me. Tom was one of my best friends and a really caring man . I am going to miss him so much and Him calling and saying Just Checking In God Bless Him

“ I have worked with Tom for a few years on several projects for UTC. I in particular enjoyed the down time in hotels where we would share our passion for the job and experiences in life. I have learned so much from Tom. I have had the opportunity to meet Rose when Tom invited me to their home. He will be missed and my deepest condolences to his family and loved ones!

“ Tom was a friend and mentor, as both being veterans we hit it off straight away. We travelled to many locations worldwide for UTC and solved the logistical problems we faced as he always did, calmly and and without fanfare to achieve our objectives. I will miss his dry humour and miss having a beer with him when I come to Houston. RIP Tom.

“ Tom and I worked together for five years. We travelled to Houston as well as West Texas on client visits and it was always a pleasure. Tom was very professional, and shared his "hands on" logistics stories with the clients and I - making our sales efforts easier. Tom was happy to travel worldwide to supervise complicated cargo moves. He loved the different cultures and foods. If I remember correctly, he has been to over 100 countries for UTC Overseas. Tom and Rose invited us to Round Top several times for Antiques Shows. Tom loved talking about his kids and grandkids, and was so proud of their education and responsible jobs. Rest in Peace, Tom.

“ Tom, was a great colleague. We will surely miss his expertise and his enthusiasm to travel wherever we needed him. To Rose his Soulmate and his sons, their wives and his grandchildren we all know that Toms life might have been cut short, but the love that you have for him will remain. The memories will linger on, and the moments that you shared will forever be etched in your heart. May God continue to provide you with the strength and guidance you need during this difficult loss.

Your UTC family will truly miss you. Diana Davila

“ Tom has not only been a colleague; he has also been a friend to many of us, and we will miss him dearly. I have personally been inspired by his character and work ethic – working closely with him was one of the factors in my decision to move to Texas 16 years ago – and I know that he has befriended and inspired many others in a variety of ways. My condolences Rose, Scott, Michael, and the rest of the Young family.
Sincerely, Marco Poisler

“ We shared many happy trails together, from the Salt Grass Trail to the Hill Country. Tom really enjoyed his horses and wide open spaces. I know his ole dun mare Huxmas, and his sorrel gelding Okie were waiting for him at the end of the Rainbow Bridge.
