“ *What a dear and special friend A.B. was to all of us.*

In 1986 he sold me my first car.

I dared him to come to a "real" hair salon to get a haircut. Much to my surprise he called the next day! I did my best to provide him with the same outstanding service he had given me. We became fast friends. Soon I learned why he was the man he was, Linda and Kathy. His unbelievable love for them earned my respect immediatly. He always greeted me with a smile and a hug. We always concluded our visits with conversation about Linda, Kathy, and the girls. With that he would light up with a smile from ear to ear.

Anytime would have been too soon for me to loose such a special friend. Over the years he guided me like a daughter, loved me like a friend, and stuck with me through tough times. I know God has made him whole again. My prayers are for all of us who feel the loss of a ray of sunshine in our hearts.

I love you A.B.

My thoughts and prayers are with Linda, Kathy, and the family.

“ Among my fond memories are my Fraternity Brothers at SFA in the late 1960's. A.B. took me under his wing and guided me in many areas. These men were the brothers and Father I never had. I was 17 when I met them and A.B. was 21. He was probably the most mature and one of the leaders within the Fraternity, Beta Gamma Tau, later to become a Chapter of Kappa Alpha. Linda was a powerful force of love and a shining influence for A.B.; actually on all the Brothers of BGT. He worshiped Linda and was with her as much as time would allow. Knowing A.B., he has already brokered a deal to be her Guardian Angel and she is wrapped in his arms right now as God's personal envoy for her future. I love and miss you brother and I trust that God's grace is surrounding Linda, Kathy and the girls.
