“ Shoar, we are so heartbroken. I hope you knew how loved you were, how much love you had here. You were the best of the best, you were kind, you were caring, you were so funny, able to elicit a laugh with your witty sense of humor in the most difficult of times. I am proud to have been able to call you my friend, and I miss you. Your memory will remain in our hearts forever. Sending love and light to you on your next journey, and sending our deepest condolences to your family. Until we meet again Shosh.. With love, Nahid, Gigi and Ella.
