“ *Andy, my first cousin. Although we lived far apart most of our lives we always remained close. When I finished high school in Panama and moved to the states (Auburn to be exact) the Wilson family took me in and I shared a room with Andy. All of you that know us know that we never got into any trouble(well maybe a little). Andy is a very special human being and will be sorely missed.*

RIP Andy, I love you!

“ It was my extreme pleasure to know Andy and graduate high school in Auburn, Alabama with him. He always cared so much about his classmates. It was my good fortune to spend so much time with the Wilson family growing up as Lisa Wilson Christopher was my very best friend. I am so happy that Andy and Julieta found each other. Lisa always talks about the special love they shared. Rest easy, sweet Andy. On behalf of your AHS '73 classmates, we miss you already. God bless Andy's loved ones. His classmates send our love and prayers. 🤝💙🙏

“ My beloved brother's life and love is intertwined in my very being. His legacy leaves such joy and encouragement to be all I am created to be in living each day fully with gratitude and peace. Oh how I praise the Lord for his life and the joy he experienced with his beautiful bride, the love of his life!
