“ Really going to miss those helpful talks, me and you had. 😞 Your encouraging words meant a lot to me, especially when it came from you. That laugh of yours was a joyous, rollicking, laugh that I will always remember. The fun, and 😂 I mean some funny memories of you when you'd be visiting us at the motel and your conversation with my mom and dad would have all of us howling. You were straight forward about things, just like mom, but it was funny in so many times, when you've talked. Im so glad that my kids got to meet you and have some memories of their own to remember. I'm glad, now I know you'll be with all that you love in heaven and especially my brother ☁️🌈 Johnny. Man, 😞 oh man, do I 😞 wish I could see that reunion. ❤️ We here will sorely miss you. Love you ❤️

“ I met Mrs. Collins when Jeanne and I were freshmen in college! She was always so kind and generous to me and treated me like a daughter! She used to tease me about my all the patches on my blue jeans! I will always treasure my beautiful memories of her. She truly made the world a better place. Sending love, hugs and prayers to all of her family and friends.

“ Aunt Bertha, your obituary was very pleasant to read. Tia Bertha, Thank you for being the kindest Nina anyone could have hoped for. I still remember when you would come into town and bring me presents. I was proud to have you and Uncle Joe next to me during my Quincenera. Thank you for being the first to introduce me to culture. I saw my first Broadway show with you and I was hooked. Thank you for taking me all around D.C. Those are memories that I will never forget. I remember visiting the Tomb of the Unknown Soldier and my daughter wouldn't be quiet and respectful and you whispered in my ear, \$#@%\$ her up. LOL. I Love You and will miss you very much.
