

Boris David Jervis

February 16, 1963 - July 5, 2018

Boris David Jervis passed away in Cypress, Texas on July 5, 2018. He was born in Santa Monica, California on February 16, 1963 to Boris T. Jervis and Martha E. Scott.

He is survived by his wife Paola Jervis Medranda and his kids Erick, Joshua, Liam Jervis Medranda, Melissa & David Andres Jervis Cevallos.

David spent part of his childhood in Granada Hills, California. When he was 14, he and his family moved to Quito, Ecuador. He graduated from Intisana High School in Quito, and then he attended the Universidad Catolica de Guayaquil where he obtained a Bachelor's Degree in Zoo Technical Engineering. He continued his professional career in Manta, Ecuador. For five years he worked as a Manager at the Banco de la Previsora before he took charge of his father's business. In 2004, he relocated his family to Houston, TX where he spent the rest of his life.

David was great son that cared dearly about his parents up until his passing. He was a caring and loving husband and father. David tirelessly worked hard to take care of his family and always made sure they had everything they needed. As a brother, he was very supportive and caring for his only sister Denise and her family. David was always present with his love and wisdom to his family, friends, and anyone who needed him. He loved to find happiness in

even the dullest situations, always cracking jokes and being charismatic. Many people appreciated his friendship as he was loved everywhere he went. David enriched and positively impacted the lives of all who knew him. He will be always be remembered as the special person that he was.

It is with great sadness that the family of David announces his passing. He lived a normal life with his loving family. This unfortunate news came as a surprise to all his loved ones, and he will be truly missed.
