

Bradley Christopher Daniel

April 4, 1989 - March 21, 2018

Bradley Christopher Daniel, 28, of Houston, Texas passed away Wednesday, March 21, 2018. Brad was born April 4, 1989, in Houston to Pamela Hamrick Daniel and Matthew Stephen Daniel. He is preceded in death by his grandparents, Carolyn and Sam Hamrick, and his grandfather, Carl Daniel. He is survived by his parents; his sister, Lindsay Christine Daniel; grandmother, Martha Daniel; Aunts and Uncles; Lynn Hamrick, David Hamrick, Caryn Fetterly, Debbie Hamrick, Jim Fetterly; cousins, Kelley Hamrick, Laura Hamrick, Dakota Fetterly and Alex Fetterly. He is also survived by many extended family and close friends.

Brad grew up in Houston and attended schools in Spring Branch ISD from elementary to high school, graduating from Stratford High School in 2007. He earned his Eagle Scout Award, joining his father, uncle, and grandfather in this accolade. He played all sports throughout his elementary and middle school years, and focused on his love of basketball in high school where he played for, and with, some outstanding men. He was active with the youth group at Memorial Drive United Methodist Church (MDUMC), attending multiple summer work camps. He earned his Bachelors degree from Texas A&M University in College Station, Texas and was currently working on his Master's degree (MBA) from the University of St. Thomas. He was also currently enjoying a very successful career as a Sales Executive with Paychex, Inc., where he was just honored as one of the company's top

performers.

Brad was an avid outdoorsman. He loved to hunt and fish, and he grew up with family and childhood friends that shared this passion with him. He also was a huge sports fan and thoroughly enjoyed watching the Astros, Rockets and Texans as well as his beloved Aggies. March Madness was certainly one of the highlights of the year for him.

Brad's family, friends, neighbors, and co-workers will remember his huge heart and giving spirit as well as his quick wit and humor – he was truly a gentle giant. He was deeply loved by those who knew him, and he will be remembered fondly and greatly missed.

A Memorial Service celebrating Brad's life will be held Monday, March 26, 2018 at 1:00 PM at Memorial Drive United Methodist Church, 12955 Memorial Drive, Houston, TX 77079. In lieu of flowers please consider contributions in Brad's memory to Citizens for Animal Protection at www.cap4pets.org

“ Brad,

Words can't describe the feelings I had when I found out you passed. First, thank you for being my friend. You were one of my first and best friends I met when I first moved to Stratford. You had the biggest heart, and were truly a gentle giant. I will forever cherish our after school activity of playing NBA 2K6 on Xbox as well as playing basketball for Stratford together. You are gone way too soon and will be missed. Love you man.

“ Thank you Brad for bringing joy and laughter to my life when I first met you. I remember having so much anxiety and fear being at a new school in 10th grade but you were one of the reasons that made my first year at Stratford a blast. Your basketball game was very similar to your personality, unpredictable moves with nice touch. I think I speak for everyone when I say you definitely touch people lives in more ways you can ever imagine. I remember you and Eric stopped by and paid a visit to me while I was at Prairie View, I wish I can tell you face to face how much that meant to me. Thank you Brad for being a wonderful teammate, friend, and more important a role model. I am going to miss you my brother.

“ *Dearest Pam, Matt and Lindsay,
My heart aches for you and your family. The tribute wall of photos was such a visual reminder of how many lives Brad touched and all the enduring friendships he made. The MDUMC team photos, 8th grade dance pictures, SHS memories, A&M moments, hunting with the 'boys' and scouting photos made me smile as I looked at all the beautiful young men and women we have watched grow together. Most of all, though, I loved your family photos, seeing the love the four of you shared. I hope that you can take some comfort in knowing that you have a worldwide community praying for you, lifting you up, sharing your grief.*

“ *Brad,*

When it comes to recalling memories we shared, the first memory I have is of the fourth grade, and the last one is from our 10th-year high school reunion. Indeed you left too soon. However, your spirit lives on through the countless lives you touched, the thousands of laughs you shared, and your unwavering generosity.

You are still loved and remembered by many.

Until we meet again,
