

## Bruce Halsey Crocombe

May 2, 1967 - May 28, 2023

Bruce Halsey Crocombe died peacefully on Sunday, May 28th, 2023, loved by family and friends. He was 56 years old.

Bruce was born at St. Francis Hospital in Tulsa, Oklahoma on May 2nd, 1967. Bruce grew up in Houston, Texas where he attended and played baseball at Robert E. Lee High School and went on to attend and graduate from Texas A&M University with a Bachelor of Science in Construction Science in 1989. Bruce often talked about his days in College Station and looked back on those memories and time in his life very fondly.

During his life, Bruce maintained many hobbies including fishing with his buddies, hunting trips, cooking his favorite foods, woodwork and always kept up with his favorite sports teams (Gig'em). If there is one thing Bruce knew how to do, it was to cook – he showed his love for others through cooking and providing a delicious meal. He was a loving Husband, Father, Brother, Papa and Friend. He was honorable, loving, strong, compassionate and a hardworking man. He loved spending time with his family and friends whether it was crabbing with his son and son in law, a car ride with his wife or a weekend with the guys doing whatever it is they do on those weekends.

Bruce is survived by his wife, Courtenay Crocombe and their combined four children: Lauren Siddall (married to Joshua Siddall), Chase McLane, Haley Crocombe and Paige Crocombe and six grandchildren: Jayden, Jackson, Lennox, Laney, Lily and Riley. Bruce is also survived by his brother Stephen Crocombe (married to Karin Crocombe) of Wichita, Kansas and their children:

Zachary Crocombe (married to Stacy), Kendall Crocombe and Ellen Rose (married to Nate Lamb) as well as numerous aunts and uncles. Bruce is preceded in death by his father Paul Eben Crocombe and mother, Claudia Jean Hite Crocombe.

A Memorial Service celebrating Bruce's life will be held Friday, June 9th, 2023 at 10:00 AM at Grace Presbyterian Church, 10221 Ella Lee Ln., Houston, TX 77042.

“ *A knight in shining armor is what every Father wishes for his daughter. Bruce was the answer to that wish in every way. He was a hard worker, good provider and loving husband. After Paul's passing, Bruce, Courtenay and family moved into his childhood home. Paul left a workshop supplied with every woodworking tool known to man which enabled Bruce to build and make reparations to the house he grew up in. He was proud of and loved the work he accomplished - those were happy times for he and Courtenay, who was the organizer in these projects.*

*It is comforting to know Bruce is now relieved of the pain and suffering that was bringing him such misery. Bruce was a wonderful so-in-law and I am grateful to have known him.*

*Wilbert "Dale" Ward, Father-in-Law*

“ *My uncle Bruce was the best uncle I could've asked for and it hurts alot that I couldn't have had more time with everyone in Houston in recent years. I'll always remember going over to his place with my mom and dad and siblings when we were little kids to hang out and him letting us play sega genesis with him and showing us all his games, like Earthworm Jim, and introducing us to Beavis and Butthead when my mom wasn't looking. He influenced me with so many things that I still love today, especially his and my dads humor, that shaped a large part of my personality and I can feel shine through myself in every single day. I still find myself saying things or in a way that I know came from him. We'll carry him with us wherever we are for as long as we live. Love you uncle Bruce.*

“ What an amazing spirit in this world. I could never find a way to thank him for all he gave to his family.

And he still found time to compete in weekend long smoked meat competitions.

“ What I remember most about Bruce is that he always had a story to  
tell. I have worked with Bruce for 19 years and have heard many  
stories (some I believe and some I don't). The other thing I  
remember about Bruce is that he won the office chili cookoff every  
year. He was a soft-spoken man always with a smile and a story. He  
will be missed.

“ I adopted Bruce and his brother Stephen as my sons when they said they were orphans after their dad, Paul’s memorial service. I told them no you aren’t I’m now your Mama. Our family knew Bruce since he was 3 years old. We were next door neighbors and lifelong family and friends.

One of my early memories of Bruce was when one day I heard my car horn from honking from the garage. I went to see what was going on. It was Bruce sitting in my car honking the horn. He asked “Could your boy come out and play?” He meant my husband Ed. I have so many memories but one other memory was when Bruce was attending A&M; he invited our son, Chris, a freshman in high school, to spend the weekend with him. He was thrilled to go. He came home with a huge grin on his face and saying “he was ready to go to A&M then”. I never knew all that went on but it was evidently fun.

Bruce was a wonderful man in so many ways.  
Love and peace dear Bruce, Margaret Larson
