“ *Marquardsen Family,*

I am very sorry at your loss. Carl was a very fine man with whom I worked in 1979-1981 as part of the Corporate Security staff at Shell Oil. Carl was a great mentor to me. As a young man, new to the corporate world, the opportunity to work with Carl played a key role in launching my career in the oil industry. Carl was a great teacher who willingly shared his financial and investigative skills in an effort to show me the ropes. I was privileged and most fortunate to have worked with Carl. I will always appreciate and remember him. Please accept my condolences for your loss and God Bless your family.
