“ Carl & Beverly. Who was to know when we saw you last week @ copperfield that we would not be able to tell you how thankful we were to know & love you as Bill & I do. What a wonderful couple you two were. Too watch you two was to know how much of a family man you were.

*Beverly, just remember death leaves a heartache no one can heal,
love leaves a memory no one can steal.*

Remember all the memories your family had of Carl.

My love to your family.
