“ I'm grateful for Carolyn as she gave birth to two of the best men anyone could have known! Would like everyone to know what great men they have become. John & his wife Kellie are successful farmer/ranchers in Ellis County and Heath along with his wife Nikki are both educators in the ag field raising 2 beautiful young ladies. Thanks Carolyn & John for giving us these families as great friends!

“ Thank you so much to the funeral director for all she has done. If it hadn't been for her Carolyn's children would have never known she had passed away. Carolyn chose to not have a relationship with her children or grandchildren. She did not give the boys a chance to even tell her goodbye. This funeral home has been amazing to her sons that were not given the option to gain closure with their mother by her choice. Thank you to the one special person at the funeral who knew the truth and comforted Carolyn's sons. She was an absolute angel today.

“ Carolyn left a lasting loving impression on all who experienced her vivacious presence in San Jac Corvette Club. She recently brought joy to all of us when we saw her come to July's SJCC's birthday party. She assured me it was her intention to attend more club meetings and events. Carolyn, we would have truly enjoyed being in your company on all these occasions. Rest In Peace now and enjoy your eternity with those who have gone before you.

“ Carolyn was an energetic person who contributed her talents to the San Jacinto Corvette Club through all of her interactions with Club members as well as serving as Activities Director and President. A special event that she organized--a dinner boat tour around the RiverWalk in San Antonio--is one of my favorite memories.

Carolyn and I became friends in 1980 when she moved to Fulshear. Her love for horses and mine drew us together. We shared a stallion together and raised some quality quarter horses. We had some really great times together. Things changed in her life and she moved in to Houston where she went to work for her Dad, Jack. We kept in touch and when she got her Corvette she came roaring up to the house in it. Then in the later years when we got out First Corvette she was instrumental in getting us into the club. In the last few years we didn't get together like we used to but we had many long telephone conversations. She was a very giving person and had a very strong faith. I will miss her very much. Rest In Peace my very dear friend. Ann Bailey

“ So sad to hear of Carolyn’s passing. Now learning of her absent family and after the loss of Ev and her parents who I know she loved so dearly, I bet life here on earth was lonely and difficult for her.

She loved life, so like the song says, when the good times are all gone it’s time to move on.

She was so enthusiastic about every event she put on and excelled on every detail to make it the best she could.

The tequila event in San Antonio was one of my all time favorite events and she organized it to a t.

Her ability to get people to donate to her charity events was all from her passion that she possessed .

*You will be missed Carolyn.
Rest In Peace 💙*

“ Carolyn was a friendly, vivacious fellow club member. How we enjoyed participation by Carolyn and Ev at “Corvettes and Quarter Horses” at Sam Houston Race Park for many years. She loved competing in the annual hat contest! How we enjoyed sharing other SJCC events and road trips as well. Her infectious laughter and beautiful smile will be deeply missed. Thanks for the happy memories, dear Carolyn! Love, Kathy Kirk

“ My wife and I met her and her husband Ev through the Corvette Club. I think we met them on their first Club meeting. She was a very energetic and fun loving person. I can recall the last time I saw her. I was walking across the street near my office when someone from a car stopped at a stop sign started hollering at me. I walked to the car, and saw it was Carolyn. She was her usual happy talkative self. She was a person who wanted friends and was willing to work at having them. In my opinion, that is a virtue. We talked a bit while she was still at the stop sign. When I walked away little did I know that would be the last time I would see her.

“ We met Carolyn, Eve, Jack and Betty when they joined the Corvette Club. Carolyn was a bundle of energy and jumped right into helping the club with, road trips, car shows, taking on the roles of Charity Chair, Vice President and President over the years. I've never met a person that could sell a raffle ticket like Carolyn could. We will miss you Carolyn, but it warms our heart to know that you are now with Eve, Jack and Betty

“ Carolyn, you were always a joy to be around. We will miss Jack, Ev and now you Carolyn, but will always be remembered with the corvette bench in Bowling Green KY.

“ Carolyn, you and your family will always be special to us. Your dad Jack always had a special place in my heart and we thank you for including Charlie and I in his life over the years. I will never forget the first time I met you, Ev, your dad and your mom at a Corvette Club meeting. I remember leaving the meeting and saying to Charlie did you see how sweet that older gentleman was with his wife? Little did I know how our friendships would evolve over the years all over a "car"! Thank you for the memories!

“ I've know Carolyn since my husband and I joined the corvette club. She and Ev were fun to be with and we all quickly struck up a lasting friendship. It was really hard on her when Ev passed. After that she and I went to lunch about once in week and always enjoyed each other's company. She was a special lady with a lot of life and love to give. I will really miss her, especially our lunches at a special Vietnamese place in Bellaire that we both loved!!

“ Carolyn and I have been friends since we were both 15 years old. We graduated in 1966 from Memorial high School and both attended Sam Houston State College. Although we have not seen each other in almost 60 years we've stayed in touch on a weekly basis and she will definitely be missed from my life....may she rest in peace forever!

“ After showing the tremendous love first with your dying mother and then guiding your father through the end of his life in such a caring manner, you revealed yourself as the wonderful daughter and kindred spirit that you were, Carolyn. You and Ev can continue the loving life in heaven that you had forged together here on earth. You will be dearly missed, dear friend!
