

## Carolyn Hughes

August 11, 1951 - December 20, 2015

Carolyn Hughes was born August 11, 1951 in Shreveport Louisiana and died December 20, 2015 in Houston, Texas. She was preceded in death by her father Jack Eugene Hughes and her brother Jack Eugene Hughes, Jr.

Carolyn graduated from Westchester High School in 1969 and continued her education at Tyler Junior College and the University of Texas in Austin. Carolyn worked in the oil & gas industry for a number of years where she developed numerous relationships and made many friends.

Carolyn was always a very curious child and often played the role of her mother when she was younger. She had a tremendous memory and could remember the tiniest detail about events in the family. This carried over into her personal life as she kept meticulous details of her personal affairs. She loved people, was a happy go lucky person, loved to tell stories and enjoyed her family immensely where she would hold court with individual family members at family events. Although Carolyn did not have children of her own she dearly loved her nephew and nieces. She was alert to the very end and never wanted her family to leave her when they visited. Carolyn will be greatly missed by her family and all those who got the opportunity to meet and know her.

Carolyn is survived by her mother Melba Jo Hughes Travis, her younger sister

and brother Georgia Leigh Hughes and Charles Gantt Hughes, her nephew, Travis Olson Hughes and her nieces Laura Anne Hughes and Emily Elizabeth Hughes as well as numerous Aunts, Uncles and cousins.

In lieu of flowers, contributions may be made to the Caring Forever Foundation at Memorial Drive United Methodist Church or a Charity of your choosing.

“ Ms Carolyn I have been trying to reach you for quite some time. I just came across this obituary and I'm floored. Ms. Carolyn and I worked at Mariner Energy together. She was a dear friend and coworker. I will always cherish our talks, laughter and all those phone calls. I remember like yesterday the last time we seen each other was at Apache, I got her to come in for an interview. May you rest in peace my dear friend.

“ I just learned of Carolyn's passing. I'm sorry that we lost touch over the many years. She was my friend and also college roommate for 2 years, and what I remember most is her smile and laughter. She just made it so fun to be around her, and I can't think of her without smiling myself. Carolyn truly had a sweet and caring spirit.

*My deepest sympathy to the family which I know was very important to Carolyn.*

“ Carolyn was my dear friend, college roommate, and for a brief time, my sister-in-law. I loved being with her because she was always upbeat and full of laughter and joy. I have so many happy memories of her. She had such an engaging smile and loving personality. Although we lost touch over the years, I am grateful that I did reconnect with her a couple of years ago in Houston when we were able to reminisce about all the fun times we had shared.

*I am deeply sorry to hear that she has passed on and send my sincere condolences to the entire family.*
