“ Grandma I know how much you love to read so a note for you. Tonight Carla shared pictures she found of you, mom, Claudia and I. A few weeks ago I was updating my phone and there was a picture of you and Lala sitting together as you read her a book. So while I miss hearing your voice and know I'll never feel your arms around me, both are forever in my heart. I'm so grateful for your love and will miss you forever.
