“ To the family of Charlie Brown,

I worked with Charie at Shell. In the "early days" we had a group of 30 or more friends that spent almost every weekend together. We traveled together, went water skiinng and generally just had a lot of fun. I knew Charlie in Houston/Deer Park days and then when he moved to New Orleans. There is no one special memory but just memories of friendships that have lasted a life time and the days when we were young and free.

May the Lord bless you and keep you.

May the Lord make His face shine on you and be gracious to you.

The Lord look upon you with favor and + give you peace.

My deepest sympathy to the family.

“ One of my favorite memories of my cousin Charles is playing with him at Grandpa and Grandma Howell's house in Tennessee - we had a great time playing with his train set.

Sending our love and deepest sympathy to you all, Glyn and family in Michigan.
