“ I was thinking of her just the other day! She was one of my best friends in high school, and I was driving by where she used to live back then in the little duplex. It made me think of her and wonder what she was up to now. She was so sweet, I will never forget her! I'm so sorry she is gone.

“*To my loving sister Robin and her family. I wish I lived closer, so I could be with you through this difficult time. Christy will live forever in my memory. I'm so sorry for your loss. She was a beautiful young woman, and didn't deserve to suffer and lose her life at such a young age. It's hard to find words of comfort. I hope you know she is in a better place and safe in the arms of our lord. You know we loved Christy and she will not be forgotten. She will live in our hearts forever. Love Marsha and Larry, Ilion, New York*
