“ *Ciro was the role model for hospitality. I knew my family would be treated like family each time we visited. I have spent many of the finest moments as a son, Godparent, brother, husband, friend, and father with my extended family at Ciro's. What a beautiful life.*

“ *Ciro was the epitome of a restaurateur. He made everyone who dined at his establishment feel as though they were dining at his home. One of the few who needed only one name. He will be missed.*
