“ I am so sorry for your loss Sandra and family. Aunt Corrine was a beautiful lady not only what met the eye but also on the inside. I will always think of her as a very strong but gentle and very independent. She was the last of the 11 children to pass and that Baker family were what made me who I am and part of you. We were lucky to have such good parents to raise all of us with strong morals. She will be missed by you and your family but what a testimony her life was to everyone. My father was Ellis Baker and mom Jean .I miss them very much to this day. God bless you all.
