“ Cyndi,
Our friendship began over 30 years ago when our boys started playing soccer. Bob was their coach. Our son Chris thought a great deal of Bob and Cyndi.
Over time our friendship grew to be one that we greatly treasure. Our get-to-gethers at your house, enjoying meals you fixed, playing dominos, cards and chicken foot, drinking wine and eating brownies; a great combo you said. Greg loved to give you a hard time, but as usual, you were always up for it. Your sense of humor was fabulous.....we will miss your laughter. Your sharing of yourself was evident in our lives in many ways and on many occasions. You were always there for us; your unselfishness was exemplified many times and in so many ways. We are going to miss you terribly, but knowing that you are with God gives us peace. We know that you will be watching over us like a Guardian Angel.
Rest well Cyndi
Love Greg and Vicki Jackson

“ *Cyndi, you will be truly missed by all who knew you. you have a special place in John's heart. He will never forget his trips to Texas and how good you treated him. Our hearts are very heavy with sorrow but that will ease as we remember all the good times and laughs we had together. Say hello to Aunt Want for us. We love you! Cousins Anne and John*

“ *Cyndi you have always been my Guardian Angel. You taught me to be the strong woman I am today and not let the selfishness of others get in the way. You were a second mother to my children. We have been so blessed to have you in our lives. Our hearts ache, but we know we have gained an angel in heaven that watches over us. May we take comfort in knowing that we have the perfect angel. Even though you have departed from earth you never truly leave us, for you are still alive in our hearts and minds, through us, you live on. Butterfly Kisses. We love you and we miss you. “ Cyndi was a very dear friend who we have known for at least 30 years. We spent many a weekends together back during the years when our boys played Soccer and Bob was their Coach. We have so many Blessed memories that we will cherish forever. Cyndi was a take charge gal and made sure everything always went smoothly on the teams. Even after all those years we all managed to still keep in touch, and try and get together every so often. Cyndi was a very caring person, and always thought of everyone first. You could always count on her if you needed anything. She would be there for you in a heartbeat. We all had many, many laughs together over the years. Cyndi was not only a great woman, wife, mother, grandmother, she was also a dear friend to us. We will miss you here on earth Cyndi, but we know and are looking forward to one day that we will all see you again to join you and Jesus in that big mansion in Heaven. RIP, Cyndi.
