“*Dave was my first hiring manager at Texas Instruments in Stafford, TX in 1976. I was saddened to hear of Dave's passing through email from TI colleagues in Dallas, as I owe a debt of gratitude to Dave for being my first and later a subsequent manager at TI. Dave was a wonderful Christian gentleman, and a devoted family man. Dave helped me several times at TI, and I will deeply miss his presence. The caring and stewardship he showed for his staff is deeply appreciated and recognized by all who knew him. Although Dave's passing is presently a sharp loss to those of us who remain, I am sure that Dave is now looking at his Lord and Savior face to face and enjoying his just rewards! Thank You Dave, for all that you have done for us, and for your spirit that still is remembered and honored.*
