“ *If only tears could speak. You were in my heart before my start, and forever will be. Until we meet on the other side, know that I loved you before I even knew of you, and when I retire these earth wings, I will fly home to you with my angel wings, and no-one can keep us apart. The Lord made me of you, and it all went as it should, because up in Heaven we get a beautiful new start. Thank you dad, one day we'll be together forever and never have to part. I love you to Heaven & back! Nina Marie*
