“ *What a precious, fabulous, wonderful and beautiful woman. Delia was always so gracious and warm and inviting. My husband and I met the Brooks in 1981 when we moved into the Westbury neighborhood and across the street. Delia was always there to help, give a beautiful smile, a great hug and/or help in every way she could. She was a perfect hostess and neighbor. Her crowning glory was that she was a wonderful wife and mother, a great example to myself of what to aspire to as a woman and as wife and mother. There were many many fabulous years with her and the family. In fact, so close was the relationship, that Patricia was like one of our family, helping us with our babies, then children for many years. It was a pleasure and honor to know and love Delia and the rest of the Brooks family.*

Our condolences, prayers and love come your way. May Delia's soul fly with the angels and shine with the glory of the heavenly hosts.

With all our love: Bob, Chari, David and Michael Hust
