“ This is probably one of the hardest things I've done in my life. And I know how difficult this is for her family. Della and I have been friends since the 70's. We worked together at the Phoenix Co and that's how we met. We became traveling partners and spent many hours together sharing the beauty of the states that we visited. I have so many wonderful memories of her goodness, her laugh, and her wonderful personality. I have books and books of pictures of our many travels together and will treasure them always. My heartfelt condolences go out to her husband Paul, her family and her many friends. She will be missed everyday to all those whose life she touched. Be with the angels, my friend and rest with the thought that you are loved and missed.

“ *Sweet, sweet Della- I always looked forward to seeing her at church. We shared many laughs, tears, and prayers together about her grandkids and other family members. She loved her family and if she were still here with us on earth today I know she'd say "Don't worry about me my precious family, my body may have failed me but my soul is living eternally in Heaven with God. I ask that you trust in God to help you during this time of sorrow. He understands and wants to comfort you. Remember I'm waiting to see you again one day in Heaven. Make Jesus your savior and get to know Him. Life's too short to not know or believe in the truth. God loves you all and I do too." - praying with you Pastor Staci*
