“ My heartfelt condolences and love goes out to the Hew family on the passing of Donna; friend, daughter, sister, cousin, co-worker and aunt.

Donna was my Mount Alvernia (Montego Bay, Jamaica) schoolmate and friend. We shared the same bunk bed cubicle at boarding school, love of pepper shrimps, many great conversations and laughs, and enjoyed visits to each other's homes on our weekends away from school.

Donna and I lost touch for a while after we both migrated with our families, me to Canada and Donna to the USA; but we were lucky to reconnect later on and catch-up where we had left off. Although it was not as often as we had hoped, due to work and family obligations, it was like we never missed a beat.

You are gone way too soon my friend and will be greatly missed. Rest in Peace. ❤️😭

P.S. Thank you Denton for sharing pics with me via Michy Parker.

“ Hi everyone, I want to wish my heartfelt condolences to all of Donna's friends and family. Donna has been a constant throughout my life. She was always kind and loving. I'm grateful for the friendship she had with my mom, Elvia Morin. Through that, I was able to gain having a life long friend. Thank you for that Donna and you will be missed dearly.

“ Hello everyone, I wanted to take this time to wish my heartfelt condolences to all of Donna's friends and family. I knew Donna all my life, and in that time I knew her to be nothing but kind, generous and devoted. Donna has been an integral part of our family, and the news of her passing has been especially hard for us. Through the years, Donna always remembered us on Christmas and I have always been grateful for those memories. Although our hearts are hurting, we will try to focus on all the wonderful memories we had together over the many years. I hope that in time, Donna's life and legacy will be a blessing to all those who loved her.

With love, always,

“ Hello everyone. My name is *Nicolas Flores*, I am *Elvia Morin's* son. I wish to give my deepest condolences to the *Hew* family and to *Donna's* friends. I know the pain you all are experiencing is so immense but I ask you not to think of the suddenness nor the tragic manner of her passing but to instead remember the kind, generous and beautiful person she is and how she is in peace with our Lord in Heaven - where she is free from illness and pain. *Donna* was like an aunt to me and my siblings and a friend whom my whole family will dearly miss. Whenever my family was in need or couldn't make ends meet, *Donna* was there to help us and never once asked for anything in return. There are many memories of *Donna* I will cherish for as long as I live and to all who have known her: you are in my prayers and hope that time will heal the wound that *Donna's* passing will leave so that her memory will elicit a smile rather than tears. Thank you all for giving me the chance to share this eulogy and may God bless you all.
