Dorothy F. "Dot" Pendleton, 92, of Houston, TX passed away peacefully surrounded by her loving family Thursday, December 13, 2012. She was born July 26, 1920 in Barbourville, KY to Roy and Brilla Faulkner. Dorothy grew up in Barbourville, KY and graduated from Union College in Barbourville in 1942. "Dot", as she was lovingly known to many, loved her pets (especially dogs). She also loved to cook for her family and many friends. Every year at Christmas time she would make angel food cake from scratch for all her neighbors. She liked to garden, read and was an excellent seamstress; making many of the beautiful clothes her daughters wore. Always the consummate teacher, Dot would look for, and find, grammatical errors in ads and billboards. She was a member of Memorial Drive United Methodist Church in Houston and also belonged to several book clubs. Dot was loved by

her family and many friends and will be greatly missed.

“ I was a student at Hazard High School in Hazard KY while Mrs. Pendleton was teaching there. She was a very nice and sweet lady and cared very much for her students. I graduated in 1982 and she retired the same year. Years later, I would see her out in her yard, just below where I lived. She remained a sweet and caring lady and I enjoyed the talks we would have, standing next to her fence.

God bless you Mrs. P (which is what we called her) and thank you.

“ I send my deepest condolences to the family at this most difficult time. May you be comforted by the promise of the resurrection, and the end to sickness and death forever. God makes this wonderful promise to us at Isaiah 25:8. So soon death will be no more, and we won't have to bury our loved ones ever again. At John 5:28 God promises that all those in the memorial tombs will hear the voice of his Son Jesus, and come out of those tombs. May you find comfort in these wonderful promises from Jehovah God.

“ Dot was a faithful attendee in "Stretch-er-cize" class at the old Spring Branch Community Center until her health would not permit her to come any more. She was a very lovely and kind lady. Everyone liked her. I remember meeting her big dog sometime during 2005 or so. Like me, she loved her pet like she loved her family. I am so glad that I got to know her.
