“ I was so sad to learn about Eileen. The last time I saw her was at TJMax shopping for a tray for one of her girls. We laughed at our shopping skills. She always had a smile and called " a spade a spade" I can still hear her voice with that accent she never lost. We all had much fun at the NF club, playing tennis, swimming, and sharing a cocktail.
My prayer are with you all...what a special lady.
Fondly,
