

Elmer Emile Nunn Jr.

August 10, 1950 - October 30, 2012

Elmer (affectionally known as "Duke") was remarkable in so many ways. He lived his life to the fullest and touched so many people during his time here on earth. We all have a kaleidoscope of memories that we will always carry with us - memories that defined him; memories that we will always hold dear. As we look through the kaleidoscope of his life, some may remember him as a lady's man, and even a comic (he made everyone laugh)! First and foremost he was a beloved son, brother, uncle and friend to everyone he met! He was very generous, loving and compassionate. He was a good friend to so many! He could be counted on and depended on always. Whether you needed an empathetic ear, a shoulder to lean on; companionable silence or even a good drinking buddy - he was your man. Ready, steadfast, willing and good fun. He was a very talented and skilled musician who loved playing his guitar and would for anyone who asked him to. He loved riding motorcycles and in his younger years was a very talented and avid swimmer. He even received a swimmer's scholarship to Notre Dame but was never able to follow through due to finances. It is very hard to say goodbye and we don't want to, but we need to remember that he touched so many people's lives, so positively. He leaves a host of family and friends behind that will miss him terribly. Duke left the world a better place than when he found it and for that we always be grateful. We will miss you, Duke - but we remember you fondly - always! Until we meet again...
