“ *We knew Aunt Dee and Uncle Bub as a very extraordinary couple who were always the life of the Party at Charlie and Zee's. They were very loving, kind, and really funny. They always had a story to tell. We cherish our memories of Aunt Dee and we will never forget her. We offer our condolences to Uncle Bub and his family.*

“ *Dee was a sweet and warm person. She was a ray of sunlight when she would come into the office. My favorite thing is that if you saw Dee, you saw Roy. Their connection was undeniable. A truly beautiful love story.*

“ *I will always remember Dee's smiling eyes and beautiful smile. I loved when Dee and Bub would visit my NaNa when I was growing up. I could listen and laugh at their stories all day long. She radiated love and happiness. I'm so thankful I was able to visit with them a month ago. My sincere sympathy to Bub, Roy, Barbara and their families.*

“Dee had so much energy and spirit - always busy and making others her priority. She and Roy were always smiling and their love was contagious. I told Roy that the reason they had been married so many years was that he laughed at everything she said. She was funny and made people happy just being around her. I will miss her very much. My deepest sympathies to Roy and the family.

“Dee always had a smile and twinkle in her eye. She was the most positive person I've ever met. I don't recall Dee complaining. Each time I saw her, she had a story to tell about an event that she had gone to. Did Dee and Roy ever stay home? I'm chuckling now just thinking of her. Anne Trousdale & Bob Sumicek
