

Elsa Cristina Rayo

January 2, 1943 - March 11, 2015

A Elsa,

Muchas veces me he preguntado la razón que hubo para que Dios dejara llegar a mi vida una mujer tan especial y excepcional como tú, me cautivaste desde el primer día que te conocí, tu forma de ser, tu porte y tu femineidad, tu espíritu puro y cristalino, tu forma correcta de actuar, y ese don que era tan tuyo, que fue el de consejera y guía a los demás justo en el momento preciso en que era necesario.

Mi amor, siempre daré gracias a Dios por ser mi amiga, mi confidente, mi esposa, te doy gracias por enseñarme a ver la vida en forma diferente.

Siempre tendrás un lugar muy especial en mi Corazón.

Tu esposo.

To Elsa,

Many times I have asked myself, what reason could there be that God allowed such a special and exceptional woman such as you into my life? You captivated me from the first day that I met you, your way of being, your natural beauty, your femininity, your pure and crystalline spirit; the way in which you always conducted yourself properly, and that special gift that was so yours, which was the ability to provide counsel and serve as a guide to everyone, at the most precise moment in which they needed it the most.

My love, I will always thank God for making you my friend, my confidant, my wife; and I thank you for teaching me to see life in a different way.

You will always have a very special place in my heart.
Your husband.

“ *Mom, you were always there when I needed comfort as a child and as I grew older, I knew I could always count on your wisdom and experience to help guide me. I miss you dearly already, but feel safe because I know that you will be there to look out for us. I am so proud to have been your son and that my kids had an opportunity to have shared time with you also. I will remember you for the kind, thoughtful and wise person that you were. Love you always, your son.*
