“ *Suzy was always so positive and delightful to be around. We had some wonderful times waiting tables at the Junior League. I will always have such fond memories of her smile and kindness. Fondly,

“ To the Snoddy family my most sincere condolences on the passing of Suzie (Mrs. Snoddy). I have admired and been a huge fan of Suzie since I befriended Jim when I was about ten years old and started coming to the Snoddy home on a regular basis. “Mrs. Snoddy” as I called her for many years (before she insisted I call her “Suzy”) was always so welcoming, hospitable, warm and engaging every time I came over to their house. She made me feel like one of her own children and a long lost relative. As I have told Jim, at times I enjoyed hanging out with Suzie as much as I enjoyed hanging out with him. I will miss Suzie very much and feel very blessed and fortunate that she was part of my life for many years.

Suzie, Judy and I were roommates at Mrs. Ledwidges at UT. We had so much fun together and remained friends over the years. We both pledged Kappa. I saw her several times at HBU in the museum when my grandson was playing football there. She loved working there. She was in my wedding- my dear friend. All the Robertson ladies were special. And all the Snoddy men, too. Love to you all Charline Hawthorne Muller
