“ *Condolences to the Hamilton family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says Jehovah God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.*

“ *My heart breaks for you and your family Martha. I wanted to share a fond memory I have of her dad. Martha's parents are so generous. I remember this time when they had us stay in rockport with them. We went boating in the bay. Her dad was driving and the rest of us were in the front of the boat, we happened to look back and her dad was putting on a lifevest as these waves were splashing over the boat and filling it up. Of course he didn't say anything to the rest of us in the front with no lifevests on. It was so funny and has left a great memory of her dad with me. Such a caring and generous family. Your dad will be missed. Love you Martha and family.*
