“ I was so saddened by Wideload’s death. I’ll never forget his smile and wonderful personality. He was one of those people who brightens any space he entered and leaves footprints in our hearts. I remember his kindness and help on the Salt Grass Trail ride. Even after Jeanette, Roxanne and I left the Desperados to ride with another wagon you would come with your beautiful daughters and visit us in Belleville and we always loved seeing you and your family. He will be missed by all who had the good fortunate to know him. Sending love and hugs, Jacki McCreary

“ We’re sad to hear that Gary is no longer here. We know Gary through his work at Xerox. He would always joke and made us laugh. We will truly miss him.

“ Gary was a wonderful person whose memory will be cherished. I’ll never forget his kindness and compassion when my dear husband, Wayne, left this world. We had lots of fun at all the Troop 993 camp outs and Eagle projects. We are all blessed to have had him in our lives. My deepest sympathy to all of his family. Michelle Feagin

“ Our sincere condolences to the Feagan Family during this time of great loss. As clearly stated in the obituary, Gary was a good man of service to others. In addition to being a loving Husband, caring Dad and overall family man, Gary’s impressive volunteer service included US Navy, HLSR and Boy Scouting to name a few. Over well over at least a decade, many Scouts are blessed to have had Gary in his very unique way to teach and show them valuable life skills. Gary was a true leader to leaders. Gary managed to teach our entire Troop 993 the military meaning of “voluntold” (an assignment that is technically voluntary but understood to be mandatory). We will all truly miss our lessons from Gary our Jedi guardian.
God Bless the Feagan Family for sharing Gary with all of us, our prayers & comfort to them.

“ Tricia and family,
We are so sorry for your loss. We remember you all from our visit to Rachel in Houston years ago. Gary took Ron in his truck to see the oil wells!! It was a great day for Ron. Please know that we are keeping you in our thoughts and prayers. We wish you the comfort of friends and family and strength through your memories. G-d be with you during this time.

“ *I usually saw and spoke with Gary on my daily dog walks in the neighborhood. I knew something was wrong when I saw 2 ambulances, a fire truck and a fire captain's car at the house on Wednesday. Word from inside was not good and I knew Gary was in bad shape. He left us too soon. He was always kind and we spoke often of our families and the news of the day. I will miss him and our almost daily talks. Sincere condolences to Tricia and all the family. May Gary Rest In Peace.*
