“ *So sorry for your loss, I wish I could have been there today. Graham was always so friendly and helpful, never even sighed when I asked him for something I knew was tedious. You're all in my thoughts.

We lost another classmate Andrew Ritzell the other day. May you also R.I.P Andrew!

Graham would be pleased to know that because of his passing we are having a Stratford High School Class of 1988 reunion. One was not planned, but because of yours and Tracey Peters passing we are. You all 3 are loved and missed!

“ I am so sorry for your loss. I was just telling my son the other day how all the kids on the street, including Graham, would go to Rummel Creek and play in the creek and then go to Monterey House all covered in mud and just get chips and drinks. I have great memories of Graham, he was always a good kid! Dot Jamieson Frankovich
