“ *As Harry's longtime clients, we always saw him as genuine and willing to help. He was one of the nicest people we have ever known. He always met us at the door with a smile and was truly interested in us as people, not just as clients. It's been a honor to know him, and we'll miss his bright smile and warm personality.*

*Harry Ford was a man to truly be honored for not only all of his accomplishments but for the encouragement and non judgemental attitude he had towards everyone his children included. If he pushed you a bit it was only because he believed in your potential. Carry this honor wherever you go and always know he honored God his family his country and all those he had yet to meet with love and a smile and don't forget that twinkle in his eye,,, He loved with all his heart.*
