

Henry Phillip Davis

June 25, 2002 - March 14, 2019

Henry Phillip Davis, 16, died on Thursday, March 14, 2019, after being involved in a tragic automobile accident on Wednesday night. He was born on June 25, 2002, in Houston, Texas to Richard Davis and Laura Cary Davis. He attended Ascension Episcopal School, Hunters Creek Elementary School, Cornerstone Academy, and was a junior at Memorial High School. He was an eighth generation Houstonian and a confirmed member of St. Catherine of Siena Catholic Community.

He spent his younger years playing sports and loving baseball at Spring Branch Memorial Sports Association. He also had played lacrosse at Memorial, tennis at HRC and had been active in Cub Scout Pack 704, and Boy Scout Troops 652 and 852. He thoroughly enjoyed fishing with his friends and family. Henry was passionate about cars, learning everything he possibly could about them. He enjoyed photographing cars, making car driving videos, and going to car meets with his car enthusiast friends. In school Henry enjoyed his business, engineering and art classes. He was recently inducted into the Academy of Finance and was pursuing a finance internship this summer. He spent seven wonderful summers at Camp Lonehollow and made so many lifelong friends.

He is greeted in heaven by his maternal grandfather, Richard Cary. He has left here his parents, Richard and Laura Davis; sister, Sarah and brothers, Michael and James; grandmother, Kaye Cary; grandfather and grandmother James and Martha Davis; 10 aunts, 10 uncles, 21 cousins, and dear friend,

Mina.

On March 22, 2019, a memorial service celebrating the lives of Henry and his best friend, Bennett, will be held at 6:30 pm at Houston's First Baptist Church, 7401 Katy Freeway, Houston, Texas 77024.

On March 23, 2019, a visitation will be at 12 noon, with the funeral mass beginning at 1:00 pm, at St. Catherine of Siena Catholic Community, 10688 Shadow Wood Drive, Houston, Texas 77043.

Henry was a very kind, compassionate young man. His hugs were meaningful and healing. He was happy to make others laugh and feel better when they were down. He loved his family and friends and was really enjoying life. He was our sweet boy, greatly loved, and will be missed beyond any measure. He was taken from us too young, and we know that he would have continued to develop into an amazing man. Be with God, and we will see you again.

In lieu of flowers, Henry would have preferred a donation be made in his honor to St. Catherine of Siena Catholic Community, Houston; The Houston SPCA; or any other cause that is special to you.

“ I know there are no words that will comfort you now. The only people who might be able to understand the depth of your grief is other parents who have lost a child. I only pray that with time your memories and love for Henry will ease the sadness and that his friends and others who loved him will continue to share stories and anecdotes from Henry's life that will one day bring glimmers of happiness back to you. May God bless your entire family as you cope with Henry's passing. I am so very sorry for your loss. 🙏

“ I will always remember Henry as the sweet kiddo with a funny, dry wit about him that often made me belly laugh. His innocent and perfectly timed delivery of a comment kept people smiling in his presence. Calm and peaceful is how I would describe Henry's demeanor. I rarely saw Henry get upset and he was a kind soul to those who were fortunate to interact with him. Henry will be greatly missed, forever remembered and always loved. Much love and prayers to the Davis Family, Meredith Boane

“ I'm heartbroken since I heard the news. I got to know Henry when he was still a baby and came to the hair salon with his mom and dad. The Davis family is unbelievably sweet and loving family. I remember just like yesterday when he let me cut his hair for the first time (he was my first little customer) even though he was used to someone else cutting his hair and for little kid hair cut is not most favorite things to do he allowed me to do. My English @ that time was not good but he was so sweet to hold still for me whiteout any conversation. From that day to few years back when I decided not to cut hair anymore I watched the Davis family grow and enjoyed every one of them. Henry was very smart boy and very proud of all his siblings. I will always remember him and his sweet smile and lovely behavior. Fly with angels you will always be in my memories sweet loving boy!!!!
May God give strength and peace to the parents and siblings to overcome the big loss I have you in my prayers. ❤️

What a wonderful tribute to an extraordinary young man! But he comes from extraordinary people. When life is cut short words usually become scarce. Henry and his love for you and your love for him will never end. I hope you and your family derive a modicum of solace knowing that Henry made the world a better place. Thank you for sharing his life's story.

Henry was a student of mine in his Freshman year at Memorial High School. What a great kid! Always smiling and always in a good mood - it was impossible to ever get angry at a student like him. I am so sorry he left us so soon. My heartfelt condolences to his family and friends: he will be missed.
