

Dr. Jack Richard Nelson Sr.

April 11, 1932 - February 7, 2015

Dr. Jack Richard Nelson Sr. was a great father and generous man. He was born in Egypt in April of 1932. He passed peacefully surrounded by family on February 7th. He is survived by wife Diane Nelson, son Jack Jr. and wife Erin, granddaughter Rowan, and son Robert Nelson and wife Eleasha.

Jack's legacy was in the oil and gas field. He had his doctorate in Petroleum Engineering. His legacy was owner and president of Canadian Triton International for twenty-six years. He traveled the world many times over with his family and in the name of oil. He had a real passion for teaching drilling engineering around the world. He did not believe in retiring. When not in the office or at the rig he enjoyed his wine collection, playing with his granddaughter, and laughing and eating with family and friends. Everyone who knew him and loved him will miss him dearly.
