Jim Roberts left this earthly world on August 22, 2013. He was originally from Mountain Home, Idaho. He enlisted in the US Navy at the age of 17 and extended his military career to reach the rank of Commander. After 26 years of service which included fighting in both Korea and Vietnam and many years at sea, He retired and went on to pursue a career with Bechtel for over 20 years where he continued his travels throughout Latin America and the Middle East. Even after his retirement from Bechtel, he continued to consult on various projects.
