

Jane Hancock Mayes

November 22, 1929 - September 4, 2011

Jane Hancock Mayes passed away on September 4th, 2011.

Jane was born to Richard Youatt and Gleyln Oden Hancock in Jasper, Texas on November 22, 1929. She had a wonderful childhood in Jasper filled with all the friends and adventures of a small East-Texas town. She studied music at Brenau University, in Gainesville, GA then found her way to The University of Texas where she was a member of the Tri-Delta sorority and graduated with a Degree in Physical Education. She met and married Dolen Guilford Mayes and settled in Houston where she served in the Junior League and was a member of Who's Who.

Jane was preceded in death by her husband of 48 years, Dolen Mayes and more recently her sister Linda Fleming of Austin, TX. Jane is survived by her children Debbie Bravo and her husband Jose', Talley Mayes, Guilford VanHoozer and her husband Jim, Kent Mayes and his wife Janet; and her grandchildren – Guy Grivas and his fiancée Megan Sauder, Sarah Wedbush and her husband Nick, and Lauren Mayes.

Jane always said, "You can't have a friend without first being a friend." She proved this correct, as the support of her friends has been unbelievable and we are all so grateful.

“ Dear Debbie, Talley, Guilford, Kent and family,

Jane was a delight to be with and was such a gracious, generous hostess. It was a pleasure to have been at her table many times. Each of her children has a part of her charm, beauty and wit and you definitely know how to be good friends! As much as Jane will be missed, she will live on in her children and grandchildren and we are all relieved that her intense suffering is past. May she rest in peace and may each of you find comfort in the wonderful memories you have of her and the lovely circle of family that surrounded your childhood and so much of your lives.

Peace and blessings,

Micki Simms
