“ I am so sorry to hear about Jennifer and my prayers go out to her family.
I was her hairdresser for 16 years and feel very fortunate that I got to have that time with her getting to know her from hearing stories of cheerleading, Arizona, her fur babies (cats) and her family that meant the world to her. She was a beautiful bright light in this world.

“ Jennifer was pure joy. Her smile, laughter and sense of humor is a part of her I will always cherish. I remember how she would make herself laugh, which made me laugh. Above all, she was just pure kindness to everyone!
She has been forever in my heart and will be always. As our hearts grieve the loss of her precious life, may we know she is in eternal life with our God, in pure love and peace.
I'm so sorry to the Johnson family for your loss of your beautiful soul. Sending love, Colleen Beathard
