“ Jimmy is my cousin. We played together as children and always had fun when our families were together. I am thankful we spent some time together at his mother's service. Memories of him and Ouida and Robert always make me happy. I will miss him very much. My condolences to his family. ”

JS

When my mother married my stepdad, I automatically was welcomed into the family. Jimmy became my cousin and made me feel like one of the crew from his mother's side of the family. He was always laughin and picking at me about something. In later years he represented me in a lawsuit where I had gotten hurt. He gave me all my options to make sure I came out on top. He won that case for me and I will be eternally greatful. Quida and Robert, I'm just in shock over his passing. I just can't seem to get it off my mind. Prayers for you guys and much love.
