“ *Approximately twenty-two years ago, we had the great pleasure of meeting Sandra, Tim and her parents. We got to know Oma and Opa and became like members of their family. We were there when Gabby was born and will always remember the tears in Opa's eyes when he first saw that beautiful baby girl. It was a great honor later for Albert to be asked to be Gabby's Godfather. We were included in all of their family activities, from birthday parties to dance recitals. We looked forward to seeing Oma and Opa at these functions and enjoyed their company very much. We could see Opa, in his quiet way, participating in and enjoying everything going on. We have so many fond memories of Opa. He will be missed.*

“ My Dearest Opa, I hope that you know how much you meant to me!
Not only were you my patient but you were also my friend. It was
such a pleasure seeing you and your family and I miss you so
much! It was a pleasure to help bring joy to your quiet life. I loved
that smile when you could hear again! It's working with people like
you that makes my job such a joy! You and your family have been
such a joy to my life and I will continue to keep them there. I love
you!
