Someone as you that had a beautiful spirit taken way to soon we think, but GOD thought different. Found someone to fight with my hair, good, but will never be as good as you !!! You always had to give me something and ..Every time I come across these things which is often I smile ... cry... Love you Girlie !!!*

“ My brother just told me tonight about Katherine's passing and I am so incredibly sorry. I first met Katherine at Josephine's and loved immediately that she understood how to work with my curly hair. I followed her to any salon she went to and we were together through divorce, marriage, miscarriage, etc. I loved our conversations and was heartbroken when she moved to Phoenix. She was a truly talented woman and although we have lost an amazing artist I know heaven is lucky to have gained this beautiful angel. My deepest sympathies to the family.

“ Always cracking the silliest jokes, making faces, doing impressions. This girl was probably one of the funniest people I have ever met in my life; very quick witted, intelligent, and talented. I am so lucky to be able to laugh through most of my sadness, because I have so many great memories of her and the times that we spent together. I will always remember Katherine. That is a promise.
