Keith was special to all of us at Ordinary Life. I will miss his presence and I am holding he and Barbara in my prayers.

“ Keith and Barbara Burr were dear friends during our life at MDPC in the 80s, almost an extension of our family because we saw each other often and had so much of our values and convictions in common. Keith was always a joy to be around, a thoughtful, kind, and creative person. Though he was much older than those in our church school class, he seemed always to be among the most open-minded, hopeful, and cheerful. He deserves much praise for his wisdom in finding Barbara, his devoted and loving wife. My past holds many sad memories, but my memories of Keith are all good and warm.
