“ My sister Mary Nooner and I remember babysitting precious Kenny! Our mom, "Mrs. Nooner" had the honor of being his very first babysitter when his mom went back to work. We remember him being a happy, lovable, and chubby-cute little guy. He was one of our mom's favorites. We were saddened to hear the news of his passing. We hope your pain is soon replaced with cherished memories. Please know that he is now in perfect peace and that you will see him again. Our thoughts and prayers are with you during this most difficult time. God bless you and your family.

Love,

The Nooner Family (Michelle, Mary, and Mr.Nooner)

“ Joe and I will always remember the rafting trip we shared with Kenny, Ken and Dawana in Colorado. Kenny was our guide, the water was cold and we had a great time. Kenny was sweet, caring, considerate and fun. Even with our loss of Kenny, our memories will help sustain and console us. Our hearts will go on and your love will survive.
