“ On my first day teaching percussion at Cy Lakes HS, Kyle, then a junior, had the other kids doing push ups and running laps every time they played poorly or missed a step off. It was intense! Still to this day, 13 years later, I have yet to see a student care as much and take that much ownership of their program. Kyle was immensely talented and a hard worker. He has remained one of my favorite students over the years and I will always consider myself lucky to have crossed paths with Kyle.
